

PHYLIS COURT GRANDSTAND, HENLEY ON THAMES

Extension of Listed Grandstand Building with new access building including lifts and enclosed stairs and balconies to ensure the building would be able to be used throughout the year. New kitchen and toilet facilities and a complete new building envelope to the existing listed building, with a tensile structure roof over the upper floor to mimic the original canvas canopy which would have been used for Regatta. The building is now regularly used by the club for dining and meeting, and let for weddings and during the Henley Regatta.
